7. Please describe any practices that the Instructional Assistant specifically used that created or interfered with a welcoming and supportive learning environment.

- Always answered my questions very effectively
- Answer questions regarding the lab that clarified my doubts.
- answered lots of questions for the labs in discussion
- Availability for questions
- Being open to questions and simplifying explanations
- Extremely helpful when facing difficulties or asking questions.
- He is really nice with re-explaining concepts multiple times. He approaches problems multiple ways with many examples to make sure you understand.
- He was always open to questions and replied in a timely manner.
- He was really helpful whenever I had questions about the labs or homework. He was always available to answer any questions that I had.

- He wrote problems from lectures and homework on the whiteboard so other students could interpret the information. These questions answered some of my questions.
- He'd sometimes explain concepts to the entire discussion section if a lot of people seemed to struggle with it. He was also answering everyone's questions during discussion.
- Helped students one-on-one during discussion sections by answering any lingering questions about the labs, and seemed approachable.
- Helpful teacher create.
- Him answer questions created a welcoming environment.
- The IA welcomed everyone by encouraging individual and collaborative work, as well as walking around and providing constructive feedback and help on everyone's help.
- Yes, always open to answering questions and helping.

8. Please describe any practices that the Instructional Assistant specifically used that particularly helped you to learn the material and/or encouraged you to feel that you could succeed in the course.

- Always answered questions effectively and technically.
- Discussions we had during office hours
- Explaining common mistakes or questions on labs
- going through labs to help improve explanations
- He answered quickly and took the time to make example problems for us to understand better.
- He explained certain in lecture concepts that were extremely important and people still felt confused about, enhancing my understanding about concepts.
- He had really clear explanations for all of my questions and was especially helpful whenever I had questions about the labs.
- His office hour times were so helpful in gaining clarification of lab components. He used the black board to draw graphs so I could see them visually and connect them to lab content.
- I appreciated the help and clarification regarding the lab assignments.
- Made midterm practice exams that helped better understand the material and matched the previous midterm difficulty level. Engaged students by asking us questions during practice problems.
- Nice teacher.
- Nothing comes to mind.
- nothing specific
- Provided clear feedback.
- Stayed behind to help.

- They were helpful in answering questions

9. Please offer constructive suggestions that might help the Instructional Assistant improve their contribution to your learning of the course material.

- -
- Help students by giving more practice problems
- I think discussion sections should be focused more on practice problems and exams, rather than on completing the labs. Labs aren't even tested on, so I felt the discussions were a waste of time, and I didn't attend too many of them as a result. I attended when practice exams were in session, like the discussion before the first midterm, which I found much more helpful.
- I think that it would be helpful if you talked a bit slower.
- maybe spend time going over homework and content during discussion
- Nice teacher.
- Nothing comes to mind.
- Please extend your office hours.

10. Is there anything else you would like to share about your experience with this Instructional Assistant?
